It’s that time of year to reflect on our past accomplishments and look ahead to another year of educating, advocating, and building community. This has been a rewarding time for both of us and we are grateful to celebrate the closing of another exciting fiscal year (July 1, 2015 - June 30, 2016).

Highlights of this past fiscal year include:

- Active attendance at national meetings, advocacy days, and trainings. We were honored to co-present “How it Works: Program Planning at the Local Level” at HFA’s 2016 Annual Symposium and lead a Chapter Roundtable discussion on Teen Programming at NHF’s 2015 Annual Meeting
- Winning two 2015 NHF Awards of Distinction for our Newsletter and Teen Retreat
- Our educational programs which continue to shine with strong attendance, excellent speakers, and creative venues. We take pride in our ability to offer diverse topics on issues that are important to our members as we continue to expand programs throughout the entire state
- Rewarding relationships with our partners (i.e. hemophilia treatment centers, industry sponsors, coalition members, national organizations), which are instrumental in fulfilling VHF’s mission
- Continued community support in the form of scholarships for national meetings, college, and enrichment opportunities, as well as our family assistance program
- Our 3 signature fundraisers - Bowling for Bleeding Disorders, Wine Tasting and Silent Auction, and Trick or Trot 5K, which are growing in number and in the level of “FUN” that is reported
- Our dedicated Board of Directors and staff, who continue to focus on serving the community and on addressing VHF’s strategic plan. **Completed strategic plan initiatives include:**
  - An updated logo
  - Adding and hiring a new office manager
  - Resources that support school health personnel, dentists, EMS, and emergency rooms
  - Strengthening committees by welcoming new members and identifying committee chairs
  - The introduction and implementation of board engagement tools

The best is yet to come and we hope you will consider taking the time to get more involved and share your talents and gifts. Join us over the next year to advocate with our legislators, volunteer to serve on a committee, attend a fundraising event, come to an educational or community event, or simply make a financial donation. Your support and active involvement is what makes VHF such a special and vibrant organization. Please do not hesitate to contact us anytime at 804-740-8643, info@vahemophilia.org or go to our website to learn more about the exciting path VHF is on!
MISSION Dedicated to serving and supporting the needs of those impacted by a bleeding disorder through education, advocacy, and community.
