

Lyman Fisher Scholarship Application

Background

The Virginia Hemophilia Foundation (VHF) Lyman Fisher Scholarship was established to honor Dr. Lyman Fisher, a teacher, researcher, and clinician in hemostasis. For many years, he directed the adult hemophilia program for Virginia. He will be remembered for his steadfast commitment to his patients and students, his respect for those who served under him, his community service and his affection for his family.

Eligibility

Individuals living with an inherited bleeding disorder, their sibling or their parents who live in the territorial jurisdiction of VHF, which includes the State of Virginia, with the exception of the following: The cities of Alexandria, Fairfax, Falls Church, Herndon, Manassas, and Vienna and the counties of Arlington, Fairfax, Fauquier, Loudon, Prince William and Stafford.

Scholarship applicants must have participated in VHF activities.

Scholarships

While at least two scholarships are available each year, VHF is not obligated to award scholarships in a given year. The scholarships may be used at any accredited nonprofit college, university, or vocational/technical school in the United States and are to be applied toward a student's educational expenses.

A student who receives an award one year may reapply in later years but winning a scholarship in one year does not necessarily mean that the student will win in a later year. Also, a student who applies in one year and does not receive an award is eligible to apply the following year for the scholarship.

Application Procedure **Application Deadline: 11:59 pm, Friday, March 29, 2024**

Applications can be completed using our online application form or you can use this paper application form and email the application to info@vahemophilia.org. The online application can be found on the VHF website www.vahemophilia.org, under the "Services" tab.

Applications and/or supporting documents **received after March 29** will not be considered. All letters of recommendation are to be sent electronically to info@vahemophiila.org.

Payment of Scholarship Funds

Scholarship payments are not distributed directly to an individual, but are made via scholarship checks, payable to the schools. VHF staff will work with the award recipient(s) to process the scholarship funds.

Responsibilities of Recipients

Scholarship recipients must enroll as a college student in the fall of the year in which the scholarships are awarded and continue in school for the entire academic year without interruption, barring illness, emergency, or military service. If a scholarship recipient leaves school during the scholarship period, VHF may ask for reimbursement of scholarship funds.

Scholarship recipients are responsible for making certain that their scholarship checks are delivered to their colleges.
